

Founder & Leadership

Building Trust, Driving Growth, Creating Value

Shri Vibhu Gupta

Founder & Director

DOSARTECH BHARAT PRIVATE LIMITED

With more than three decades of experience in the construction materials and distribution industry, Shri Vibhu Gupta Son of Lt. Shri Rajendra Prasad Gupta Baghauli Hardoi U.P. has established himself as a respected business leader known for integrity, commitment, and market expertise. His entrepreneurial journey began in 1991 with the cement trade with firm Shrishchandra Amit Kumar of Dealership Satna Cement Works brand Birla Satna Samrat situated Pakka Press Halsi road Kanpur , laying the foundation for a career defined by consistent growth, strong business relationships, and customer trust.

Over the years, he has successfully collaborated with several leading cement manufacturers and industry brands, contributing significantly to market expansion, channel development, and sales promotion across multiple districts of Uttar Pradesh. His extensive understanding of distribution networks, project supply management, and customer engagement has enabled him to build a strong reputation within the industry.

From Heidelberg's MYCEM dealership in 1995 to leadership roles associated with prominent brands including Reliance Cement, Ambuja Cement, JP Cement, and Dalmia Cement, Shri Vibhu Gupta has continuously demonstrated excellence in sales management, market development, and business operations.

Recognizing the evolving opportunities in infrastructure, renewable energy, and sustainable mobility, he founded DOSARTECH BHARAT PRIVATE LIMITED in 2025 with a vision to create a diversified enterprise capable of serving India's growing development needs through innovative, reliable, and futurefocused solutions.

Today, under his leadership, DOSARTECH BHARAT PRIVATE LIMITED continues to expand its presence across multiple sectors while maintaining its core values of quality, transparency, and customer satisfaction.

About DOSARTECH BHARAT PRIVATE LIMITED

Empowering Infrastructure, Energy & Sustainable Growth

DOSARTECH BHARAT PRIVATE LIMITED is a dynamic and forward-looking enterprise committed to delivering high-quality products and services across the construction materials, renewable energy, electric mobility, and industrial solutions sectors.

Founded on decades of industry expertise, the company combines traditional business values with modern technology-driven solutions to meet the evolving demands of businesses, institutions, contractors, and individual customers.

Our objective is to contribute to India's growth story by providing reliable products, efficient service networks, and sustainable solutions that create long-term value for our customers and stakeholders.
